

## GROUP BENEFITS PLANS

# COVERAGE FOR YOUR MOST IMPORTANT ASSET — YOUR EMPLOYEES

Benefits are a perk your business needs to have.

## Why it's Important to Your Business

The workplace is where your employees perform and help build your business on a daily basis. Having a solid benefits plan in place can reduce turnover and enhance employee satisfaction by showing staff you are committed to their health and well-being.

OnePlace For Business™ provides businesses with three or more full-time employees the opportunity to ensure staff members enjoy financial protection from expenses associated with illness, injury, hospitalization, dental and medical care, or death.

## Features and Options

A group benefits plan is a valuable compensation tool that can help attract and retain your company's most valuable assets. We'll work together to help you make the most of your benefit plan dollars.

- **Customized Benefit Solutions:** Choose from a wide variety of benefit options tailored to meet the specific needs of your business
- **A Solid Investment:** Whether it's effectively managing disability or exploring cost containment options, we'll provide the ongoing support you need to make sure you receive value from your investment with us.
- **Client-Centric Approach:** A collaborative approach ensures you and your employees have the tools you need to make the most of your plan, and that you have the information you need to effectively manage your plan and respond to questions.
